Subject: Adding the costs for Tribal involvement in the review to the current Cooperative Agreement

Categories: Provided for LEPIC 1 to 11-19 2013

Kelly,

EPA has received the revised narrative statement. It is what we were looking for. Our plan is to amend the current cooperative agreement to include the costs that the Tribes are seeking for their involvement.

Please submit an Amended FS 424 application for assistance for these costs. Copies go to Armina Nolan and Ricardo Solis. I think that you know the process better than I do, but let me know if you have any questions or need any assistance. We will get to work on it as soon as we receive the request.

Thanks.

Kevin Rochlin
